FLUID CONTROL SYSTEMS

WE ARE **YOUR** COMPLETE VALVE SUPPLIER

VALVE & ACCESESORY OFFERINGS

Control

- Globe Valves
- Rotary Plug Valves
- Cryogenic Valves
- PTFE Lined Valves
- Ceramic Lined Valves
- 3-Way Valves
- Self Op. Regulators
- Digital Positioners

Manual & Automated

- Ball Valves
- Cast & Forged Ball Valves
- Butterfly Valves
- Block & Bleed Valves
- Actuation Packages
- Electric Actuators
- Engineered Solutions
- Pneumatic Actuators

Sanitary & Utility

- Angle Seat Valves
- Hygienic Diaphragm Valves
- Control Tops
- Control Cabinets
- Solenoids
- Valve Islands
- Mass Flow Controllers

YOUR TRUSTED ADVISOR FOR PROCESS MEASUREMENT & CONTROL SINCE 1952

SAMSONAND
EVERYTHING
FLOWS**SCAN THE QR CODE TO REQUEST A
FREE VALVE WALKDOWN AT YOUR FACILITY****Smart Positioners**

- Rugged Design for Extreme Environments
- Simple Positioner Set Up With One-Knob Design
- Tiered Offering to Meet Every Area Classification Requirement.

**Globe Valves**

- Modular Body & Trim Construction for Easy Field Modifications.
- Innovative Design Reduces Need for Spare Inventory
- Extreme Temperature Range
- Globe Valves are Field Reversible

***"WHAT IF YOU HAD ONE DEDICATED PARTNER FOR VALVE SELECTION, AUTOMATION, AND SUPPORT?"*****MILLIONS OF DOLLARS IN REGIONAL STOCK
READY TO BE DELIVERED WITHIN 24 HOURS!****Electric Actuators**

- Compact & Lightweight
- Multi-Voltage Support
- 100% Duty Cycle

**Pneumatic Actuators**

- Rack & Pinion 10-degree Window Adjustment
- Dual-Piston Thrust
- ISO 5211 Mounting

**Sesto Ball Valves**

- Thick body walls adhere to ASME 16.34 standards
- Blowout-Proof Low Torque Guided Stem

**Delta T Butterfly**

- Bubble Tight Shutoff
- Low Torque Requirement
- Resilient Seated Double & Triple Offset Valves

**Control Tops**

- Contactless Position Feedback
- LED Color Status Indicator
- Ventilated Spring Chamber
- Integrated Pilot Air-Ducts
- Automated Commissioning for Easy Setup

**Angle Seat Valves**

- High Flow Rates With Good Controllability
- Exceeds Million-Cycle Stress Test
- Long Service Life
- Ideal for Steam & Aggressive Media
- Simple Control & Low Pressure Loss

**BOTH CAN BE MOUNTED WITHOUT ANY EXTERNAL TUBING**
